

Lakewood High School Mission Statement

Lakewood High School is a diverse public educational community of students, staff, and parents who work cooperatively to promote an environment where the pursuit of academic excellence is encouraged. Enriching co-curricular activities complement the academic life of the school, empowering our students to develop into intellectually mature and responsible citizens. Our mission is to equip all students to be lifelong learners with the skills, knowledge and attitudes necessary to meet the demands and challenges of a rapidly changing world.

Shared Beliefs:

We believe that:

- Lakewood High School provides a safe environment where students and staff work to achieve social and academic goals.
- Lakewood High School maintains an atmosphere of respect for all individuals, regardless of race, social class, gender, age, religion, cultural difference, or physical/psychological condition.
- The students and the staff understand and respect the various cultures and their contributions to our community.
- Diversity is our strength.
- Faculty and students have access to, or are aware of, current trends in technology as they relate to education.
- Teaching is the profession that makes all other professions possible.
- Teachers and parents want their students/children to succeed.
- Parents have a right to be informed of their children's progress in school.
- Students' success depends on the school, the home, and the community.
- Students provide the foundation for a strong nation.
- All students can learn.
- Learning is a life long process.
